

GET TO KNOW OUR ALPACAS!

WE ❤️ ALPACAS

Our alpacas are:

- merry
- curious
- fluffy
- amiable
- relaxed
- easy-going

Alpacas are exceptionally amiable and social. Thanks to their good-natured character, they often work alongside therapists in animal-assisted therapy quite successfully.

A walk in nature with the peaceful New World camelids, as alpacas are also known, creates a feeling of deceleration and joy due to the calm nature of these creatures. This is a lasting and unforgettable experience for young and old alike.

Our home, beautiful Rossweidhof, is located on a picturesque high plateau in the heart of the nature reserve Karwendel. From Rossweidhof, you can enjoy amazing views to the monastery St. Georgenberg, the „Monastery on the rocks“. You can reach our farm from Stans on foot through the impressive Wolfsklamm gorge, one of the most beautiful sights in Tyrol.

If you arrive by car, you have to take a 4,7km long (asphalted) private road, which leads from Stans directly to our farm.

Our alpacas bring us a lot of joy each and every day - and we are more than happy to share it with you. If you want to get to know our alpacas a little closer, a walk with the alpacas is the perfect way for this experience and spend some quality time.

Enjoy a relaxed stroll through untouched nature, far from the hustle and bustle of everyday life.

Duration: 1,5 hours including a short briefing and an introduction of our alpacas. Of course, we always save some time for “cuddle breaks“, during which you are welcome to take photos with the alpacas.

Weather: In case of heavy rain or extreme weather conditions, we reserve the right to suggest an alternative date, as our alpacas prefer to stay in their barn.

Equipment: We walk over hill and dale, fields and meadows, so we recommend sturdy shoes!!

Unfortunately, out of consideration for the alpacas, dogs cannot join us on our walk.

PRICES

Adults and children aged 12 and over with their own alpaca € 29

Adults and children aged 7 and over WITHOUT their own alpaca (accompanying person) € 9
